OBS!

Tänk på att det är viktigt att samtliga skruvar på bänken efterspänns regelbundet, beroende på användargrad och inomhusklimat.

Attention!

It might be necessary to re-tighten all screws on the bench on a regular basis, depending on the level of use and the room climate.

Achtung!

Je nach Nutzung und Raumklima sollten alle Schrauben der Bank regelmäßig nachgezogen werden.

Huomio!

On suositeltavaa kiristää penkin ruuveja säännöllisesti penkin käytön määrän ja huoneilman olosuhteiden mukaan.
